2nd Annual Fur Ball Gala

The Great Catsby – the Purring 20's

Saturday, October 12, 2019, 6:00-10:00 p.m. – Local on the Water

Why should you become involved in this event? This is an excellent way to reward associates, staff and clients while contributing to a great cause.

For us, we rely on donations, memberships and Fund Raising events such as this to support our efforts. We are not a government agency and do not receive any operating support from national organizations. We are a non-profit organization serving the animals and people of North Myrtle Beach and the surrounding communities in Horry County. The Mission of the Humane Society of North Myrtle Beach is to find loving and permanent homes for abandoned animals, provide first-rate veterinary care through experienced local veterinarians and offer low cost spay and neuter programs for dogs and cats. Especially important is educating children, teachers and parents on pet responsibility. The heart of our organization is our dedication and professionalism.
